What is the Demon Baseball Skills and Scrimmage Camp?

I would like to invite you to our 11th Annual All Skills and Scrimmage Camp at our outdoor playing facilities at Westlake High School. For the past eight years we have offered an All Skills Camp. While this camp spends part of the camp time instructing players on the proper fundamentals of defensive and offensive baseball, we

also incorporate the situational aspects of the game through the use of controlled scrimmages. We are able to teach and use the skills in a “game like” atmosphere. This format seems to be very enjoyable for our campers.

Last year we had nearly 50 campers involved in a variety of different baseball related drills and activities. Campers gain valuable experience and instruction to improve their overall skills and baseball knowledge. In the Westlake Baseball Camp, participants combine the fun of an actual game experience with the instruction of our staff. The Demon Camp’s staff consists of the WHS baseball staff, WHS varsity players, current and former college players, and other area high school coaches. Camper to coach ratio will run between 8:1 and 6:1 depending on camper attendance.

We look forward to having the opportunity to improve your skills.
