What is the Demon Baseball Skills and Scrimmage Camp?

I would like to invite you to our 11th Annual All Skills and Scrimmage Camp at our outdoor playing facilities at Westlake High School. This year we have decided to combine our All-Star Camp with our All Skills Camp. The goals of this camp is to enhance previously

learned baseball skills, increase on-field knowledge, and develop more in-depth techniques needed to take your game "to the next level." Each day of our camp will conclude with an organized on-field scrimmages with coaches on the field to help with the in-game decisions. While drills and skills are important, on-field game like conditions are an invaluable way to develop as a baseball player.

Last year we had nearly 40 campers involved in our junior high camp. Campers gain valuable experience and instruction to improve their overall skills and baseball knowledge. The Demon Camp's staff consists of the WHS baseball staff, WHS varsity players, current and former college players, and other area high school coaches. Camper to coach ratio will run between 8:1 and 6:1 depending on camper attendance.

We look forward to having the opportunity to improve your skills.
